

Winter semester 2024 New PhD Science Day of the Doctoral School in Microbiology and Environmental Science

Time and date: October 24th 2024, 14:00- ca. 16:15

Location: Hybrid - Online via Zoom and in person in seminar room 2.1, UBB

<https://univienne.zoom.us/j/62592794523?pwd=yj33PKyfvnFD30IVzx0FKL3S8Twzfc.1>

Meeting ID: 625 9279 4523

Passcode: 785914

Chair: Veer Vikram Singh

Time	Name	Topic
14:00	Anita J Brijit	Impact of organic matter on the preservation of nucleic acids adsorbed at mineral surfaces
14:30	Jan-Philipp Wittlinger	Microbiome-induced Pruritus in atopic dermatitis patients

15 minute break

Session 2

Chair: Sean Darcy

Time	Name	Topic
15:15	Paul Jimenez	Molecular interactions and evolutionary dynamics of receptors in the phage infection process
15:45	Anna-Celine Danklmaier	The neonatal gut microbiota-brain axis
